

Tenure-Track Faculty Position Openings

Graduate School of Culture Technology, KAIST

Graduate School of Culture Technology (GSCT)-KAIST invites applications for tenure-track faculty positions in the following areas:

1. Digital Content Technology (Audio, Music, Games, HCI, Design, Visual Computing, Media Arts)
2. Cultural Complex Systems and Data Science (Networks, Data Mining, Visualization)
3. Science Art and Technology-Based Exhibition, Museum, and Performance.

Requirements and Qualifications:

1. Doctoral Degree (Ph.D., DPhil, or equivalent) at the point of application or appointment. Doctoral candidates must pass their final dissertation examination within six (6) months from the date of submission of the application, and a guarantee of such schedule must be submitted by one's advisor at the time of application.
2. Outstanding research achievements, and potential for excellent education and research.
3. Commitment to new fields, interdisciplinary research, and cooperation with the industry.
4. Ability to lecture in English.
5. Female and non-Korean candidates will be given priority in case the final evaluation scores are tied.
6. Applicants must be in a sound legal standing, and pass a physical exam before employment. Korean nationals (former or current) who have evaded national military service cannot apply.

Evaluation Process

1. Document evaluation (department subcommittee)
2. Deep evaluation (department committee)
3. Department seminar and evaluation
4. Final decision by the college committee or the university committee (latter for tenured associate professorship or full professorship)
