

KAIST (Korea Advanced Institute of Science and Technology)

Department of Physics

Four Tenure Track Faculty Positions

The Department of Physics at KAIST (<http://physics.kaist.ac.kr>) invites applications for tenure-track faculty positions in the area of **Experimental Condensed Matter Physics**.

We seek candidates with significant research accomplishments and promise for outstanding future achievement at KAIST. Applicant must have Ph.D. in Physics or a closely related field, and some post-doctoral research experience is desirable. The successful applicant is expected to establish a creative, internationally recognized research program. The appointed professor will be committed to excellence in teaching undergraduate or graduate courses, and also to contribution towards other academic activities.

Applicants are required to submit the following materials (PDF file) first by email to the search committee via applyphysics at kaist.ac.kr : **1) a curriculum vitae including a publication list, 2) a list of three references (contact information), 3) PDF copies of five selected publications, and 4) a filled official application form with a statement of research interests (no more than 5 pages) and a statement of teaching plan (no more than 2 pages).**

Applications completed by **July 17, 2020** will be given full consideration. Late applications will be considered on a case-by-case basis. Outstanding candidates in other research fields can also be considered on a case-by-case basis.

If you have any further inquiry, please contact the Chair of Faculty Search Committee via applyphysics at kaist.ac.kr.
