

Announcement for Tenure-Track Faculty Positions The Graduate School of Mobility, KAIST

The Graduate School of Mobility at KAIST invites applications for **tenure-track faculty positions at the levels of Associate/Assistant Professor**. Applicants should have a background in all disciplines related to Transportation Engineering including:

- Traffic simulations
- Metaverse and digital twin
- Machine learning in traffic prediction and control

These research topics require multi-disciplinary knowledge and experience from various engineering fields, and The Graduate School of Mobility is seeking strong applicants with this nature in mind.

The candidate must have an earned Ph.D. degree in engineering at the time of appointment. Female and/or foreign applicants are strongly encouraged to apply for this opening.

Applicants should send the following application documents to the Head of The Graduate School of Mobility (gt_admin@kaist.ac.kr).

- An application form including:
 - 1) Summary of Key Achievements
 - 2) Academic/Research Achievements
 - 3) Plan of Teaching
 - 4) Plan of Research
 - 5) Resume (CV)
 - 6) Consent to Collection and Use of Personal Information
- Copies of five selected publications

We will accept the applications from May 6, 2022 to May 23, 2022, but the application will be accepted until the position is filled.
