

The Department of Bio and Brain Engineering at KAIST (<https://bioeng.kaist.ac.kr/>) invites applications for multiple faculty positions, at all levels of experience and across all related fields of research. Both junior and senior scientists are encouraged to apply. Senior level appointments with tenure are available for qualified applicants.

Applications will be accepted via email (pkim@kaist.ac.kr) until **31th March**, 2020. Online applications should include the following

◎ A formal application in the designated application form

- . Summary of Key Achievements
- . Academic/Research Achievements
- . Plan of Teaching
- . Plan of Research
- . Resume(CV)
- . Consent to Collection and Use of Personal Information

◎ Five Representative Publications

- ※ After review, suitable candidates will be contacted and asked to submit three reference letters.

Selected candidates will be contacted for additional information. For more information, please contact Professor Pilnam Kim (pkim@kaist.ac.kr).
